

EMPLOYMENT ANNOUNCEMENT

- TITLE:** Test and Evaluation Engineer
- COMPANY:** ICx Technologies, Inc.
- LOCATION:** J2 Program Office
Hanover, MD
- SALARY:** Commensurate with experience
- MIN. REQ.:**
- Bachelor's degree in engineering, physics or related sciences
 - 5-7 yrs experience in testing & evaluation in the CBRNE arena

ICx Technologies, Inc. is looking for a Test and Evaluation Engineer to join our growing team in the Baltimore, Maryland area. The Test and Evaluation Engineer will be an integral part of the Test and Evaluation team for a DoD systems development contract.

DUTIES WILL INCLUDE BUT WILL NOT BE LIMITED TO:

Lead and support test and evaluation tasks related to Chemical, Biological, Radiological, Nuclear, and Explosive (CBRNE) defense systems including:

- Preparing Test Plans (TP) that encompasses sub-system and system level testing
- Supporting government test efforts including Developmental Testing (DT), Product Verification Testing (PVT), Production Qualification Testing (PQT) and Operational Testing (OT)
- Developing and implementing PVT procedures
- Conducting reliability testing and providing test reports using MIL-HDBK-781 as a guide
- Conducting Test Readiness Reviews (TRR)

ABOUT ICx

ICx Technologies is a leader in the development and integration of advanced sensor technologies for homeland security, force protection and commercial applications. Our proprietary sensors detect and identify chemical, biological, radiological, nuclear and explosive threats, and deliver superior awareness and actionable intelligence for wide-area surveillance, intrusion detection and facility security. By leveraging our unparalleled technical expertise, ICx pioneers the integration of these advanced sensors into effective security and commercial solutions.

REQUIREMENTS:

- Bachelor's degree in engineering, physics or related sciences with 5 to 7 years experience in testing and evaluation in the CBRNE arena
- Must be able to contribute to a multi-discipline engineering team in a government-contractor collaborative environment
- Must have excellent written and verbal communication skills
- Experience in MS Office tools
- Perform other duties as assigned.

ICx Technologies, Inc. offers an excellent benefits package, 401K and paid vacation and holidays. Interested candidates should send a resume in Word or PDF format to: careers@icxt.com or via fax to: (703) 678-2112, attention "Sr. Test and Evaluation Engineer."
